MEMORANDUM FOR THE RECORD

SUBJECT: Meeting with Dr. Naka on 26 August 1969

1. Dr. Naka arrived at 1130 and was introduced to Gen. Ross. A discussion in Gen. Ross' office centered basically around the OSA position of maintaining a covert capability for the U-2 during the foreseeable future, justification being that the value of one or two overflights over shadows the expense involved. Dr. Naka's comment was that the ultimate would be to have the capability as a satellite and utilize the U-2 for other missions.

2. After lunch, Dr. Naka was shown and avidly read the documents listed in a memorandum for the record dated 26 August, subject Visit of Dr. Naka.

3. Dr. Naka received a copy of the minutes and comments of the initial committee meeting of 21 August.

4. He was quite pleased with the information delved from the documents and will utilize the copy of the minutes as the official Committee minutes.
